* Available after retirement if you have 5 years of continuous service and you are in receipt of an immediate pension.

RETIREMENT INCOME

Carleton University Retirement Plan

Under the Carleton University Retirement Plan, your pension at retirement is calculated as the Money Purchase Pension plus the excess, if any, of the Member's Minimum Guarantee Pension over the Money Purchase Pension.

The **Money Purchase Pension** is the accumulated employee and employer contributions, plus interest, converted to a life annuity.

The **Minimum Guarantee Pension** at your *normal retirement date* is calculated as follows (subject to a government maximum):

Years of Credited Service multiplied by the sum of:

1.29% of the average of your highest 5 years' earnings up to the 5 year average of the *YMPE*

PLUS

2% of the average of your highest 5 years' earnings in excess of the 5 year average of the *YMPE*

If you were age 45 or over and a member of the Plan at July 1, 2003 and have at least 10 years of continuous service at retirement prior to your *normal retirement date*, you will be eligible for an Early Retirement Supplement.

The Minimum Guarantee Pension will be based on your earnings and participation to your early retirement date and reduced as follows:

For early retirements after July 1, 2012:

- Reduced by the actuarial equivalent factors which will range between 5% and 7% per year prior to your *normal retirement date*. These factors will apply to current members born after 1957 and to new members joining on or after July 1, 2012.

For plan members who were eligible to retire on July 1, 2012:

- Reduced by 0.25% for each month of early retirement prior to your *normal retirement date* (i.e. age 55 or within 10 years of your *normal retirement date*). This applies regardless of the date on which you actually choose to retire.

Carleton University Group RRSP

In addition to the Carleton University Retirement Plan, the University sponsors a voluntary Group RRSP available to all continuing employees. The Group RRSP offers:

- Investment Funds with reduced investment management fees,
- Enhanced interest rates on guaranteed interest accounts,
- A broad range of investment choices from professional fund managers,
- No inter-fund charges – change your asset mix anytime without penalties or cost,
- No administration fees, regardless of the size of your account,
- No minimum contribution to the plan and no minimum required to invest in any fund or to buy a Guaranteed Interest Account, and
- A secure and convenient website – GRS Access – to keep up-to-date and make changes to your program.

For more information on the Carleton retirement programs, view the Pension Services section of the Human Resources website at www.carleton.ca/humanresources.

Other retirement income

Other potential sources of retirement income include the:

- Voluntary pension contributions,
- Canada/Quebec Pension Plan, and
- Old Age Security.

GLOSSARY

Eligible dependents

Spouse – for the Health Plan and Dental Plan:

- The person who is your legal spouse or with whom you have been living in a conjugal relationship for at least one year.

Child – for the Health Plan and Dental Plan:

- Your or your spouse's unmarried natural, legally-adopted, stepchildren, or foster children who are:
 - under age 21,
 - under age 25, if they are full-time students and depend on you for support, or
 - of any age, if mentally or physically disabled and incapable of self-support, provided the disability began before they turned age 21 or while they were full-time students under age 25, and the disability has been continuous since then, and
- Natural children of your daughter, if she is under age 21 and meets the definition of a dependent (as defined above).

For the Free Tuition Program:

- Your dependents are your children who qualify for dependent status under the *Income Tax Act*, or who would have qualified if they had not earned an amount in excess of the *Income Tax Act* maximum for dependent status in the year in which the free tuition is requested. Students must remain in good standing.

Evidence of insurability

- Generally, a health questionnaire and, depending on the information you provide, possibly a medical or paramedical examination.

Normal retirement date (for benefits purposes)

- The first day of July coinciding with or following your 65th birthday.

YMPE

- YMPE stands for the Year's Maximum Pensionable Earnings. This is the amount the government sets each year and uses to determine contributions to and benefits from the Canada/Quebec Pension Plan. The government revises this amount every year, based on increases in average weekly earnings in Canada.
