## BASIS FOR AGREEMENT REACHED

On Wednesday, October 18, the CUASA and University bargaining teams, with the assistance of Mr. Fraser Kean, a Special Officer appointed by the Ontario Minister of Labour, arrived at a basis for an agreement. It was further agreed that the Board of Governors should consider this first. The Board will meet Tuesday, October 24; consequently, the CUASA steering committee is calling Council together the following day. Until that time, both parties have agreed to remain publicly silent on the matter.
