F.K. North (Geology)
J.N. Rao (Mathematics)
D. Kessler (Physics)
P.J. Watson (Physics)

LIBRARY

J. Beaumont
K. McColgan
L. Rossman

SETTLEMENT RATIFIED:

The ratification vote on the recently negotiated salary settlement for the period July 1, 1979 to April 30, 1980 was held on August 14. The result was an overwhelming endorsement of the settlement, with 93% of those voting being in favour of it. The official tally was 107 in favour and 8 against with no spoiled ballots.

PAYMENT OF SALARY INCREASE

Due to the logistical problems associated with two bargaining units settling at about the same time, Payroll is unable to process all aspects of our settlement in time for them to show up on our August paycheques. The compromise arrangement that has been agreed to is as follows.

Our August paycheques will include the scale increase and the arrears of scale for the month of July. This means that the number in the "regular earnings" box on your August statement of earnings will be equal to 1.055 times the number that appeared in the same box on your July statement. In addition, the number appearing in the "other earnings" box on your August statement will be equal to the number that appeared in that box in July plus .055 times the number that appeared in the "regular earnings" box in July.

Those individuals who were awarded a CDI and/or Merit Award will begin receiving them, and receive arrears for July and August, on their September pay cheque.

This means that the number appearing in the "regular earnings" box will again be increased, this time by 1/12 the appropriate value of the CDI and/or merit award. Similarly, the amount in the "other earnings" box will be increased from the value it had in July by 2/12 the appropriate value of the CDI and/or merit award.

In addition to the above changes, some individuals will have their "other earnings" box affected in a very minor way due to the premium for their required group life insurance coverage coming closer to the \$9.10 maximum paid for by the employer.

If you experience any difficulty in interpreting the changes on your statement of earnings for August or September do not hesitate to contact the CUASA Office (6387) or Payroll (2656).

Les Copley
President-Elect

COLONEL BY CHILD CARE CENTRE

The Colonel By Child Care Centre has asked for support from the University community, either financial, political or moral.

If you can help the centre please call Kay Liston at 312-6312 or Ian McMaster at 232-1497 or 725-7231.
