SUPPORT UNIVERSITY FUNDING: MAIL A POSTCARD

The recent federal budget highlights the importance of the CAUT postcard campaign against continuing erosion of federal contributions to post-secondary education. Although the level of these contributions has diminished since 1985-86, federal transfers to the provinces are still extremely important to university funding. Over 60 cents of every dollar of university revenue comes from federal transfers.

It is important that the campaign succeed. A half-hearted response will be understood as just that.

Please sign and mail the cards included in the February and March issues of the Bulletin. Consider, as well, writing your MP, as well as the federal and provincial Ministers of Finance.

Both federal Opposition parties are willing to help CAUT by arranging storage of the cards so they can be counted at the end of the month.

Let's show that we all care deeply about the state of university funding.

CUASA DONATION TO

Fondation de l'Ecole Polytechnique de Montreal A/S Victime de Decembre, 1989.

At its last meeting (120190) CUASA Council directed that the sum of \$1000.00 be donated to a scholarship fund in memory of the 14 women slain at the Polytechnique last December.

CAMPUS VIOLENCE AGAINST WOMEN

OCUFA is committed to eliminating campus violence against women. Since men must begin addressing these issues, OCUFA is exploring ways to assist. It intends to set up a province-wide network of male colleagues to address problems of sexism and violence against women.

In addition, it will collect information about men's groups on Ontario campuses.

If you wish to become part of the network please advise either the CUASA office (8330) or OCUFA (416-979-2117) 400-27 Carlton St., Toronto, Ontario, M5G 1L2.
